## Q1. "Do you come from a big family?":

1. "What's your family size like?"
2. "How many siblings do you have?"
3. "Did you grow up with a lot of relatives around?"
4. "Do you have a lot of family members?"
5. Do you have any brothers or sisters?

A typical answer could be:

"Yes, I come from a big family! I have three siblings, so there's always a lot of activity and noise at home. We have a great time together, celebrating holidays and special occasions. It can be chaotic at times, but I love having such a close-knit group of people around me."

Or, if you come from a smaller family:

"Not really, I come from a small family. I have just one sibling, so it's always been pretty quiet at home. We have a close relationship, though, and that's made us really supportive of each other."

## Q2. Do you have good relationship with your siblings?

"Yes, I have a really good relationship with my siblings! We've always been close, and even though we might argue from time to time, we support each other through thick and thin. We enjoy spending time together, whether it's just hanging out or celebrating special occasions."

1. Do you have a good relationship with your siblings?
2. "Do you and your siblings get along well?"
2. "How is your relationship with your brothers and sisters?"
3. "Are you close to your siblings?"
4. "Do you feel connected to your brothers and sisters?"

## Q3. What's your dad/mom like?

1. "How would you describe your father/mother?"
2. "What's your dad/mom like?"
3. "What kind of personality does your dad/mom have?"
4. "How do you feel about your father's/mother's character?"
5. "What traits do you admire in your father/mother?"

Typical Answer:

"My dad is a really hardworking and dependable person. He has a great sense of humor and makes us laugh, even during tough times. He's also very supportive and gives real advice. He stays calm in stressful situations and his dedication to our family."

#### **Q4. Which parent do you resemble more in personality?**

1. "Do you take after your father or mother?"
2. "Which parent do you resemble more in personality?"
3. "In what ways are you similar to your mom/dad?"
4. "Who do you think you are more like, your mom or dad?"
5. "Do you share traits with your father or mother?"

Typical Answer:

"I would say I'm more similar to my mom. We both have a creative side and love to express ourselves through art and music. We also share a similar sense of empathy and enjoy helping others. Of course, I have some traits from my dad too, especially his work ethic, but in general, I relate more to my mom's personality." Sure! Here are five similar questions along with a typical answer:

#### **Q5. Who do you currently share your home with?"**

1. "Who do you currently share your home with?"
2. "Are you living alone or with someone?"
3. "Who's your roommate or housemate?"
4. "Do you live with family or friends?"
5. "What's your living situation like right now?"

Typical Answer:

"I live with my younger sister right now. We decided to move in together to save on expenses and it's been great! We get along really well and enjoy having someone to hang out with at home. Plus, we help each other out with chores and keep the place lively."
